I understand that the personal information I provide on the enrolment form will be held and processed for the purposes of: my enrolment; for the provision of my chosen course; as otherwise necessary for the University to provide targeted academic support, welfare and other educational and related services from time to time; for statutory reporting; for supporting Individual Electoral Registration (IER) for voting purposes; and for the purposes as set out in the Harper Adams University Data Protection Layered Notice.\*\*

Your photo, taken or provided by you at enrolment will be used to provide identity and building access documents and by tutors for identification purposes.

I have read and understand the way my personal information is used, as set out in the University's Data Protection Policy (available at [www.harper.ac.uk/docs](http://www.harper.ac.uk/docs)) and that by signing this agreement, I have given my written and informed consent. **HESA – Student Collection Notice** Your contact details may be passed to survey contractors to carry out the [National Student Survey \(NSS\)](#) and surveys of student finances, on behalf of some of the organisations listed in full under Purpose 1 of the Student Collection Notice available to read in full at <https://www.hesa.ac.uk/collectionnotices>. These organisations and their contractors will use your details only for that purpose, and will then delete them.

About six months after you graduate, we will contact you to ask you to fill in the Higher Education Statistics Agency (HESA) 'Destinations of Leavers from HE' questionnaire. You may also be contacted as part of an audit to check that we have undertaken this survey properly. We will not give your contact details to HESA. You may also be included in longitudinal surveys of leavers in the years after you graduate. If so, we will pass your contact details to the organisation that has been contracted to carry out that survey. That organisation will use your details only for that purpose, and will then delete them. If you do not want to take part in any of these surveys, please let us know.

Every year we will send some of the information we hold about you to HESA ("your HESA information"). HESA is the official source of data about UK universities and higher education colleges ([www.hesa.ac.uk](http://www.hesa.ac.uk)). HESA collects, and is responsible for, the database in which your HESA information is stored. HESA is a registered charity and operates on a not-for-profit basis. HESA uses your HESA information itself for its own purposes. HESA also shares information from your HESA information with third parties. It may charge other organisations to whom it provides services and data. HESA's use of your HESA information may include linking information from it to other data, as described further in the full Student Collection Notice. All uses of HESA information must comply with the Data Protection Act 1998.

The HESA Student Collection Notice is regularly reviewed. The most up to date version can be found at [www.hesa.ac.uk/fpn](http://www.hesa.ac.uk/fpn). Minor updates to the Student Collection Notice (including organisation name changes and clarification of previously specified purposes) may be made at any time. Major updates (such as a new purpose or administrative use) will be made no more than once per year.
