I confirm that the details entered on the enrolment form are true and accurate in all respects and I agree to comply at all times with all the University's rules and regulations as set out in the current University Regulations. (These are detailed in the Key Information Page which is available at <http://www.harper-adams.ac.uk/applicants/key-info/> and are updated each academic year.) I understand that it is my responsibility to ensure that I am aware of the regulations if my enrolment spans multiple academic years.

I note that the surname and forename(s) taken from the enrolment form and agreed by myself as correct, will be those used on my final award certificate and transcript and other University documentation.

I confirm that the information provided by me to the University is complete, accurate and true and that nothing has changed since the date of my application which would require an amendment to that information.

I confirm that I am personally liable and responsible to pay the annual tuition fees and other charges for my studies in accordance with the University Regulations notwithstanding any arrangement I may have with sponsors and/or Student Finance* and/or Student Loans Company (SLC) to pay the tuition fees and other charges. The University reserves the right to increase fees each year in line with inflation for continuing students. Where any increase is applied, it will be in line with Government guidance and students will be informed when increases are known. I acknowledge that on submitting this form I will have an obligation to pay. In the event that my sponsor, Student Finance* or SLC refuses to pay all or part of my tuition fees and other charges, I agree to pay any shortfall between the amount paid by my sponsor, Student Finance* or SLC and the total amount of fees due to the University. I accept that failure to adhere to the above may result in my exclusion from the University within the meaning of the University Regulations.

I accept that in the event that I choose to voluntarily and permanently withdraw from the University, I remain personally liable and responsible for paying, or arranging payment by my sponsor, SLC or Student Finance*, all outstanding fees and charges. A student's liability is assessed in relation to their date of withdrawal, as determined in accordance with the rules outlined in the University Regulations for the current academic year.

*Student Finance means all Student Finance authorities dependent on domicile.

HESA – Student Collection Notice

Every year your provider will send some of the information it holds about you to HESA ("your HESA information"). HESA is the official source of data about UK universities, higher education colleges, alternative HE providers, and recognised higher education courses taught at further education institutions in Wales. HESA is a registered charity and operates on a not-for-profit basis. Your HESA information is used for a variety of purposes by HESA and by third parties as described in the full Student Collection Notice. HESA may charge other organisations to whom it provides services and data. Uses of your HESA information may include linking parts of it to other information, as described in the full Student Collection Notice. Information provided to HESA is retained indefinitely for statistical research purposes. Your HESA information will not be used to make automated decisions about you. All uses of HESA information must comply with the Data Protection Act 1998. From 25 May 2018, the DPA will be replaced by the EU General Data Protection Regulation (GDPR). All uses of HESA information will comply with the GDPR from that date onwards.

After you graduate you may be contacted and asked to complete one or more surveys into the outcomes of higher education and your activities after graduation. Information from third parties (such as your parent, or your provider if you're in further study) might be used to complete sections of the surveys if you can't be contacted. The surveys may be undertaken by your provider or by an organisation contracted for that purpose. Under the Data Protection Act 1998 and the General Data Protection Regulation you have rights of access to the data HESA holds about you. You may have to pay a small fee for this. For further information about data protection and your HESA information please see <https://www.hesa.ac.uk/about/regulation/data-protection> or email data.protection@hesa.ac.uk.
